Buffett Ticket Request:

Pittsburgh Show: The club received 6 requests from our club members. The price will be \$90.00 per ticket. All money was to be paid to Karen King by May 19th, 2005. If you have not paid as of yet you need to make the arrangements with Karen King as soon as possible.

Cincinnati Show: The NCPHC will not receive any tickets for the show. Unfortunately everyone's on there own for this one.

A request was asked by all to bring to the table **ideas and summer dates for a family event** (a day which members can bring the kids along and have fun, as in a bowling night or a picnic). Possible ideas: Dover Lake or Geauga Lake
